## How to design with Arc

This guide is designed to help you explore and experiment with the wide array of tiles in the Elizabeth Sutton Arc Collection. Find inspiration in these featured pattern options or create your own. With this dynamic collection, the possibilities are endless.

## Meet Elizabeth Sutton and the Arc Collection

### About Arc

Award-winning artist and designer Elizabeth Sutton and TileBar have come together to create a collection of natural stone and porcelain tiles that reflect Sutton's unique style. The Arc collection features 12-by-12-inch natural stone and porcelain tiles that can be arranged in dozens of striking patterns, many with flowing curves and eye-catching moments. Each of the five dazzling colorways in this collection has three different formats that can be combined to form any of the patterns in this guide.

### About Elizabeth Sutton

Elizabeth Sutton is a Miami-based artist and designer with a body of work that pays homage to art for art's sake. Known for her vibrant use of color, Sutton's talents are on full display here. She takes a stylized view of natural elements that call to mind the essence of Art Nouveau. She describes her choice of colors as "bold in the right places." Elizabeth Sutton is a longtime TileBar collaborator.
