WHAT WE LOVE ABOUT KORA

Sleek, modern, and visually arresting, the Kora collection stands out thanks to an ultra-realistic printing technique that lends the appearance of real wood with etched fluting—both in traditional linear and chic geometric patterns. Unlike traditional fluting, however, this surface is easy to wipe clean. The floating design adds to its allure and can be installed at any height, leaving useful floorspace below for baskets, bins, or even a stool.

Wood-look, faux-fluted façade

Ceramic countertop with integrated basin

Stylish, pencil-thin drawer pulls

Space-saving wall-mounted installation
