WHAT WE LOVE ABOUT VANITY NAME

Elegant yet unfussy, the Riven vanity pairs the essence of classic style with the beauty of natural oak. This well-proportioned, floating vanity features a solid wood base with a rounded frame that softens the otherwise geometric silhouette. Elongated knurled handles in finishes that contrast against the lightly textured wood add a tailored touch. The crisp, white quartz vanity top with subtle gray veining includes a protective 4-inch backsplash and provides ample counter space. Thoughtful details (including adaptable storage and soft-close drawers) add to its timeless, yet modern feel.
