WHAT WE LOVE ABOUT AMANI

The contemporary Amani vanity collection brings an element of urban luxury to any bath. This wall-mounted unit is available in six sizes and three colorways. Models up to 48 inches come with a classic, white integrated countertop, while the 60-inch vanity's countertop is made of sintered stone, a marble lookalike that resists stains, scratches, and heat. Spacious cabinets and an open shelf give Amani the best of both worlds—out-of-sight storage and display space.

- Sleek, modern black hardware lends urban appeal.
- Available in your choice of a walnut or melamine finish over oak.
- Clean lines and contemporary colorways enhance a variety of settings.
- Dual cabinet doors provide access to ample storage.
