WHAT WE LOVE ABOUT BRITANNIA

An uncomplicated silhouette defines the James Martin Vanities Britannia collection. Perfect for smaller spaces, this compact, freestanding vanity is available in four classic colorways: black, white, navy blue, and a midcentury-inspired Acacia wood. Made from poplar solids and veneers treated with a premium finish, this collection is as durable as it is beautiful. Satin nickel hardware and soft-closing doors add a touch of luxury.

- Concealed European door hinges create a sleek look.
- Cabinets are treated to protect against moisture.
- One soft-closing door opens to reveal ample storage.
- Tapered legs add a refined, transitional feel.
